## Fairway Hiring for Summer

The Fairway Parks & Recreation Department is currently accepting applications for its seasonal positions.

**The application deadline is February 1st.**

Information about the hiring process, including job descriptions and an application, is available on-line at [www.fairwaykansas.org](http://www.fairwaykansas.org).

Click on "Parks & Recreation," then "Employment Opportunities."

### FIRST YEAR LIFEGUARD APPLICANTS:

Fairway will be offering a certification class for lifeguards in the Spring of 2018. Questions regarding this class can be sent to [vtillery@fairwaykansas.org](mailto:vtillery@fairwaykansas.org).

### SNACK BAR ATTENDANT ELIGIBILITY:

Recent changes in the way Child Labor laws are interpreted will bring significant changes to Parks & Recreation agencies in the area. Specifically, employees under the age of 16 cannot operate hot dog rollers, toaster ovens and convection ovens, all of which are used at the Fairway Pool. In fact, employees must be at least 16 years old to operate a microwave. As a result, Fairway is raising its minimum age for Snack Bar employment to 16 years old.

## Garden Workshop Series by Ann Simpson (Fairway resident and garden designer)

### Lasagna Gardening: Is it for You??

It is time to pick up the final leaves from those pin oaks, clean out the shrub border, and cut down the weather-beaten perennials...But, what to do with all that material? The answer may well be to turn it all into a Lasagna Garden!

A form of "composting in place", this approach is a cost-effective way of the using materials at hand and reducing the amount of energy, time, and water required to maintain your garden space.

Discard the tiller and Roundup, and join in learning a different way of gardening.

**Date:** April 7th

**Time:** 10-11am

**Location:** Fairway Pool House

(6136 Mission Rd)

**Cost:** \$10

### Starting w/ Shrubs: Designing for Birds

Birds are attracted to a yard that has a diversity of plantings, but the foundation of your Birdscape should be shrubbery. Shrubs provide nest sites, protection from predators, food, winter shelter, and resting spots in ways that other plants in your yard can not.

We will discuss the value of native vs. non-native species, along with the most attractive and beneficial ways of planting.

Welcome this Spring season, by welcoming more birds and more bird *species*, to your yard!

**Date:** April 14th

**Time:** 10-11am

**Location:** Fairway Pool House

(6136 Mission Rd)

**Cost:** \$10

### Isn't It Time for a Rain Garden?

With the record-setting rains we experienced last fall, a rain barrel gets filled up really fast. The answer to managing the over-flow-- or to any soggy, poorly draining spot in your yard—might be a Rain Garden.

Join us for a step-by-step workshop led by Fairway resident and landscape designer, Ann Simpson. We will discuss siting, construction, and planting details that will take you through this truly "green" method of managing water issues on your property.

**Date:** April 21st

**Time:** 10-11:30am

**Location:** Shawnee Indian Mission

(3403 W. 53rd St.)

**Cost:** \$10
